#### Goa Human Rights Commission

Proceeding No. 74/2013

#### Inquiry Report

This *suo motu* proceeding was initiated on 03-06-2013 on the basis of a newspaper report appearing in “Herald” dated 1st June, 2013 reporting about the incident of food-poisoning in the Central Jail at Fort Aguada. This Commission issued notice to 1) The Superintendent of Jail, Central Jail, Aguada-Goa, 2) The Superintendent of Jail, Judicial Lock-Up, Mapusa-Goa, 3) The Inspector General of Prisons, Panaji-Goa, 4) The Dean, Goa Medical College, Bambolim-Goa, 5) Medical Superintendent, District Hospital (Asilo Hospital), Mapusa-Goa, 6) The Secretary (Home), Secretariat, Porvorim-Goa and 7) The State of Goa, through the Chief Secretary, Porvorim-Goa.

2. Pursuant to the said notice, reply was filed by the Superintendent of Jail, Aguada (Respondent No.1) and Superintendent of Jail, Judicial Lock-Up, Mapusa (Respondent No. 2). Report was also filed by the Head of Department of Medicine in Goa Medical College on behalf of the Respondent No. 4 (the Dean, Goa Medical College, Bambolim). The Medical Superintendent, District Hospital, Mapusa filed a chart showing the details about the patients treated at the District Hospital, Mapusa. Respondent No. 3/Inspector General of Prisons, Respondent No. 6/Secretary (Home) and Respondent No. 7/the State of Goa represented through the Chief Secretary adopted the reply of Superintendent of Jail (Respondent No. 1). The Commission has also obtained a copy of the report of Regional Forensic Science Laboratory containing the post mortem report in respect of one Mahadev Gaonkar, a prisoner from Central Jail, Aguada who had died on account of cholera. The report of Water Analysis was furnished by the Executive Engineer, Public Works Department, Porvorim.

3. Subsequently, a surprise inspection of the Central Jail, Aguada was made by the Chairman and one of the Member i.e. Mr. A. D. Salkar. Such inspection report is on record.

4. From the various materials on record, it is apparent that one Mahadev Gaonkar, a prisoner from Central Jail, Aguada had complained about abdominal pains and was taken to Primary Health Centre, Candolim on 31-05-2013 at 12.30 a.m. and after being examined in the Primary Health Centre, he was brought back to Central Jail, Aguada as his condition was normal according to P. H. C. Candolim. Such person again complained of abdominal pain, etc. in the morning of 31-05-2013 at 6.15 a.m. and the Jail Authorities at Aguada requested over wireless to the Police Inspector, Escort Cell at 6.37 a.m. for escorting two persons viz. Mahadev Gaonkar and Vinesh Faldessai at Goa Medical College, Bambolim. However, till 10.00 a.m. no police escort had been made available and thereafter, considering the condition of the prisoner Shri Mahadev Gaonkar, the Jailer Mukund Gawas reported the matter to Dr. R. Kerkar, Jail Doctor who was on duty and who examined the said prisoner Mahadev Gaonkar. On the advice of Dr. Kerkar, Shri Mahadev Gaonkar was removed to Candolim Primary Health Centre at 10.40 a.m. without any police escort. At 10.48 a.m. a wireless message was received from Police Inspector, Escort regarding non-availability of escort, claiming that their unit was facing acute shortage of staff.

5. It appears that prisoner Mahadev Gaonkar was declared dead at 11.15 a.m. on 31-05-2013 while undergoing treatment at P.H.C. Candolim. The other prisoner who was complaining of abdominal pain and loose motion, etc. had been treated initially by the doctor in Jail. Some prisoners in Mapusa Sub-Jail had also complained of similar symptoms. They were treated in District Hospital (Asilo) at Mapusa and the prisoners who were affected at Central Jail at Aguada were treated in Goa Medical College, Bambolim/District Hospital, Mapusa. All of them were discharged after treatment. The Post Mortem Report clearly reveals that the death of Shri Mahadev Gaonkar was on account of V. Cholera. Similarly, it is apparent that the other prisoners who were affected were suspected of suffering from acute gastro-enthritis and were treated accordingly.

6. The Report of Water Analysis dated 03-06-2013 indicates that the Water Sample was found free from coliform and E.coli organisms. In other words, the water was not contaminated. It is not disputed that the food which was being cooked in Fort Aguada Jail was also being sent to Sub-Jail at Mapusa for consumption by the prisoners in Mapusa Sub-Jail. It is also admitted that many prisoners in Mapusa Sub-Jail had complained

about abdominal pain/stomach infection like the prisoners of Fort Aguada Jail and also the said prisoners had been treated.

7. From the above materials, it is apparent that there was an outbreak of cholera obviously on account of contaminated food which was prepared in Central Jail, Aguada and in such incident, one prisoner Shri Mahadev Naik had died and several others had to be treated.

8. From the documents which had been filed by the Respondent No.1, it is apparent that the deceased Mahadev Gaonkar was ultimately taken to Candolim Primary Health Centre only around 10.40 a.m. on 31-05-2013 even though he had complained of his suffering at 6.15 a.m. In other words there was a delay of more than 4 hours in getting such prisoner treated. The Respondent No.1 in his reply has stated that such person was not removed earlier as police escort was not made available. Any Under Trial Prisoner or Convicted Prisoner like any other citizen of India has a fundamental right as envisaged in Article-21 of the Constitution of India. Since such prisoners are lodged in prisons, it is axiomatic that it is the responsibility of the Prison Authorities to look after the health of such prisoners. The Prison Authorities as well as the Police Authorities who are supposed to provide escort for escorting out prisoners are all State Agencies. Since this Commission is yet to be made fully functional in the sense that the Investigative Team headed by any Inspector General of Police as contemplated in Section-27 of the Protection of Human Rights Act, 1993, is yet to be made available, it is not possible on the part of this Commission to make further in-depth inquiry/investigation to find out the exact extent of negligence on the part of the different authorities i.e. to say Jail Authorities, the Jail Doctors, the Escort Authorities, etc. However, the fact remains that the prisoner has lost his life while in Jail custody on account of the fact that he was not given timely medical assistance. Admittedly, the deceased was taken to Candolim Primary Health Centre only around 10.40 a.m. and he was declared dead at 11.15 a.m. In other words, possibly he was dead by the time he reached Candolim Primary Health Centre. It is no doubt true that he was taken to Candolim Primary Health Centre very early morning i. e. to say at 12.30 a.m. but it is not known if he was given treatment. Be that as it may, from 6.15 a.m. till 10.40 a.m. he remained at Aguada Jail for treatment.

9. The outbreak of cholera was either on account of contamination of drinking water or contamination of food and could have been prevented by taking sufficient preventive measures to maintain hygiene. The negligence of the State is thus apparent under these circumstances. There cannot be any doubt that such prisoner died on account of the fact that timely medical treatment was not made available. It is obvious that such negligence was by the State Agencies and therefore ultimately the State can be said to be vicariously liable on account of lethargic attitude of the State Agencies in performing their duties which resulted in the death of innocent prisoner.

10. The Commission, therefore feels that the legal heirs of the deceased Shri Mahadev Gaonkar, if any, and all the prisoners who were affected on account of contamination of drinking water or contamination of food are entitled for reasonable compensation from the State Government.

This Commission is not able to conduct in depth inquiry of fixing accountability and responsibility on the concerned Officials for want of full-fledged Police Investigation Team headed by Inspector General of Police as contemplated u/s 27 of the Protection of Human Rights Act, 1993.

11. In the facts and the circumstances of this case, we make the following recommendations:

- a) An amount of Rs. 50,000/- (Rupees fifty thousand only) shall be paid to the legal heirs of the deceased Shri Mahadev Gaonkar as compensation by the State of Goa.
- b) An amount of Rs. 2,000/- (Rupees two thousand only) shall be paid as compensation to each of the prisoners who were affected on account of contamination of drinking water or contamination of food.
- c) The Prison Administration shall take appropriate and timely steps to maintain hygiene to prevent recurrence of such incidents in future.
- d) The State Government shall ensure that the Escort Party is made available to the Prison Authority without any delay to meet any emergency situation even after sunset and before sunrise.

The State of Goa through its Chief Secretary shall forward its comments on the report including the action taken or proposed to be taken thereon in terms of Section 18 (e) of the Protection of

Human Rights Act, 1993 to this Commission on 07-03-2014 at 11.00 a.m.
